President's Message

Last month, I promised to keep informed on the Circle of Excellence. I am proud to announce that the Florida Suncoast CPCU Chapter has received the **GOLD Circle of Excellence for 2012-2013**. I want to thank everyone that is active and participates with the chapter on this outstanding achievement. This is the 5th year in a row that we have achieved the Gold status for the Circle of Excellence. We have our plans outlined for the 2014 Circle of Excellence and would love for all of our chapter members to participate in helping us achieve the designation for a 6th year in a row.

I am really excited that we will have the chance to meet our Regional Governor as he presents an update on Flood Insurance. Don't miss out on this opportunity to meet Don Cummins.

Lastly, I want to remind everyone that the CPCU Leadership Summit is coming up April 23rd through April 26th. This is a great opportunity for those that attend to learn more about the operations of the Society, network with fellow CPCUs and pick up some best practices. I will be there and will receive our Gold Circle of Excellence certificate.

Come out to Chili's, join us at the Board meeting and learn more about how you can participate with the Chapter.

See you there!

Nick Cocking
